general information

The aim of this booklet is to present an easy guide for the most commonly used types of printing - this is by no means an exhaustive list of the work we produce. Please contact our estimating department for friendly and informed advice.

ARTWORK SUPPLIED - the prices shown are from artwork supplied - see page 2 for specification for supplied artwork
PROOFS please send a proof with the job for us to check that everything is in order
CONTACT it is important that you supply us with a contact name and telephone number - most small problems can easily be resolved this way

BAYLISS ARTWORK - we are able to execute the artwork for you - our experienced staff can supply professional designs at rates well below normal agency prices
PROOFS where the artwork is done by us - we normally supply a proof for you to check - and the price of the 1st proof is included in our artwork charge - thereafter the cost (for authors amends) may be subject to further charges

DELIVERY - delivery is ex works - BUT WE CAN ARRANGE CARRIAGE at favourable rates - please ask when ordering

VAT - prices shown DO NOT include vat - some items are exempt - please check with an estimator

PAYMENT - our terms are **PAYMENT WITH ORDER** - but for regular customers we can offer credit terms **STRICTLY NET 30 days** - subject to status

FILMS - PLATES - the prices shown **INCLUDE** all film / plate charges -we normally use CTP (computer to plate) so films & plates are usually not stored - however we can print from your films supplied (subject to approval)

artwork used is archived up to 3 years for repeat work

ARCHIVING - we can copy any artwork to CD disc - see charges on page 3

FILM OUTPUT- we output high resolution films - see page 3

DELIVERY TIMES - whilst our normal delivery times are 5 - 10 working days, other schedules can always be accommodated.

information when supplying artwork

media

we can accept artwork supplied on the following-

apple mac

3.5 " floppy disc	zip100/250	128mb optical	CD
40mb syquest			

pc

3.5 " floppy disc	zip100/250	CD
-------------------	------------	----

programmes

we can accept the following programmes-

apple mac

pagemaker 6.0	quarkxpress 3 - 4.1	photoshop 6
freehand 8.01	microsoft word 2001	

pc

pagemaker 6.5	quarkxpress 3 - 4.1	corel draw 9
microsoft word 2000	microsoft publisher	

photo scans

photos should be scanned at 350dpi (300dpi minimum) at size for size and saved as CMYK

we can scan for you using our high quality linotype scanner - see page 3 for prices

proofs

please supply a proof where any artwork is sent to us - this helps ensure your job goes through correctly
we supply proofs for you when we execute the artwork - but if you wish us to proof your own jobs before printing - then please state when ordering - charges for this on page 3

general

please supply everything on a "1 up" basis - we use an advanced imposition programme to sort out page ordering for booklets etc

please ensure bleed areas extend 3mm beyond the page size
please check your document carefully, the most common faults are with colour choice and fonts.

if you have any questions - please remember we are here to help

- contact our studio by telephone - fax - e-mail

finishing options for NCR sets

numbering

sequential numbering on each printed sheet
-number is printed in red as standard

per 100 sets £0.50
per 1000 sets £5.00

padding

sets can be padded in 50's or 100's
the price per pad includes a strawboard
back

per pad £0.20

stitched books

sets can be finished as stitched books
the price per book includes a strawboard back - plain board
cover and perforating of sheets (*a normal book containing 3
parts would have the top 2 sheets perforated - with the bottom
sheet - fast in book*) the books are finished with taped spines

per book £0.50

*note: a margin of at least 15mm (within the finished size) is required
to stitch - this must be allowed for when planning the artwork*

drilling

sets can be drilled - normally 2 holes with
80 mm centres

per 100 sets £0.22

NCR paper is available in various colours - standard shades are-

white
pink
yellow
green
blue
gold

bottom copy is also available as a board in selected colours - ask for details

copies can be de-sensitised (to prevent selected information being transferred)
- ask for details
